Byways, United States, 2015. Hardback. Condition: New. Library ed. Language: English. Brand new Book. Ewan, Zane, and Ganix--three half-brothers take sibling rivalry to new lengths as they race each other across their homeland. Magic isn't the only legacy Mr. Ian Johns wants for his bickering sons. The Postmaster hoped the boys would bond during a family trip, but they twist his vacation plans into a race. Ewan, Zane, and Ganix soon find themselves far from home, facing choices that are far from easy. Three routes stretch from coast to coast. The rules: each brother--and his two companions--must check in at post offices along their route. At these waypoints, they stamp in with their personal seal and report their progress by postcard. Ganix Johns sails into his next waypoint, ready for more fun. Until he makes the startling discovery that not everyone in Liberty is free. Ganix didn't think he needed permanent teammates, but then he meets someone who needs him. Hurlock is a magician with chains on his ankles, and his wife Galena is about to be sold. In scheming to set them free, Ganix stumbles onto a secret society . and straight into trouble. Welcome to Liberty: Big cities and hill-country outposts thrive on busy byways, but people are scarce in the Wilds, where mythical creatures are alive and well. Folks commonly use lanterns to light their homes, and peace is kept by rangers on horseback. In the Byways books, readers will encounter dragons, griffins, river monsters, and rogue magicians. Magic is a rare trait that runs in families. Some magical gifts are quite useful; others are downright quirky. Like the talent inherited by members of the Johns family. They're Changers who can take the form of an animal. Not that magic will make winning the race any easier...
